The church is still in its formation period. A small Bible study group was formed in 2015 through humanitarian aid to IDPs. Local people have started coming too. In September 2017 a small hall was rented for the church meetings, two Bible study groups and children's Bible school. One brother was baptized in 2017. In 2018, 7 people are getting ready for water baptism. There are now about 20 people coming to the worship service every Sunday morning.

Church principles:

- every church member has to attend one of the Bible study groups.
- we are to learn and to understand the Gospel.
- every person is involved in teaching and studies.
- we are teaching everyone how to do personal evangelism.

We need spiritual support and open cooperation in order to accomplish the Great Commission of Jesus better.
