In 2014, Marjinka Church was in the line of fire and the pastor (age 72) died because of stress during the attack. The number of church members at that time was 7. A new pastor moved to minister there, and 9 people were baptized in 2015. There are people preparing to be baptized this year too, but as of today, over 200 people have repented during these few years.

The church also ministers to children and to the needy, but does not have its own building yet.

Please, pray for:

- people to come to the Lord and to be baptized
- God to give wisdom and health to the pastor
- The war to come to an end and for peace
- Stability and restoration, for people to be able to organize their lives
