The first evangelistic outreach in Praskovijivka village was held in December 2017. Since then, there have been a group of people who want to learn the Word of God on a regular basis. A Christmas celebration meeting was held at a village public school and children were invited to attend the Sunday school. There are no religious communities in the village, and people come to listen and study the Holy Scriptures with great desire. There were three food aid distributions that turned to evangelism too. We have 35 to 40 adults and 10 to 12 children attending the church regularly. After the meeting each visitor gets a free loaf of bread.

We plan to hold a Christian children's camp next summer.

At the moment we are meeting in the House of Culture (renting the hall). So there is a need to purchase a house for worship. A picture of the house we would like to purchase and turn into a church building is attached to this letter.

Believers of Praskovijivka village need your prayers for:

- the war to end;
- new jobs;
- buying a house for the church;
- people who live in the war zone to be converted
